

## Indianapolis...More than just racing!

Yes, Indianapolis is the racing capitol of the world. However, there is more than just racing. Indianapolis is the premier destination for arts, culture, history, first-class shopping, fine dining and more.

From observing the skyline atop the Soldiers and Sailors Monument to shopping Circle Centre Mall and exploring the world's largest Children's Museum the fun doesn't stop there. In the evening, take in a Broadway show at the Murat Theater after dinner at the famous St. Elmo's Steakhouse.

Experience the Circle City yourself at the Circle City Convention.
