

INDIANA PODIATRIC MEDICAL ASSOCIATION

2011 DOCTORS PROGRAM

Hyatt Regency Downtown Hotel - Indianapolis, IN

October 6—9, 2011

MISSION STATEMENT

The Indiana Podiatric Medical Association is an organization consisting of licensed podiatric physicians in the state of Indiana whose primary purpose is to promote the art and science of podiatric medicine and the betterment of public health through an annual program of continuing education and other professionally oriented instruction for member podiatric physicians. In addition, the Indiana Podiatric Medical Association strives to achieve a better rapport and understanding among the health professions, and increase public awareness of podiatric medicine through public relations activities.

PURPOSE

This Conference will provide information on the most up-to-date diagnostic and treatment methods for lower extremity disorders.

INTENDED AUDIENCE

This Conference will be of interest to podiatric physicians and surgeons. Other health care professionals with special interest in the diagnosis and treatment of lower extremity disorders will also benefit from this Conference.

OBJECTIVES

To provide the podiatric physician with a broad range of programs offered in an intensive 3-day conference.

To establish an understanding of developing concepts in the diagnosis, evaluation and treatment of lower extremity disorders and foot conditions.

DETAILED PROGRAM ON FOLLOWING PAGES...

Doctor's Program: Thursday, October 6

8:30 – 10:45 a.m.	IPMA Board of Trustees Meeting
10:45 – 11:30 a.m.	2011 & 2012 Continuing Education Committee Meeting
11:30 a.m. – 12:30 p.m.	Speakers Welcome Lunch
12:30 – 2:00 p.m.	Registration

1:00 – 8:15 p.m. DOCTORS EDUCATIONAL SESSIONS

1:00 – 2:00 p.m.	Varicose Vein Treatment in the 21 st Century – Kent Beams MD , Bloomington IN Sponsored by: Decatur Vein Clinic
------------------	---

This lecture will focus on modern treatments available for varicose vein problems.

2:00 – 3:00 p.m.	<i>Tendon Imaging Pitfalls & 3D Thin Section MR Imaging with Emphasis on the Lesser MPJ Plantar Plate</i> – Richard J. Rolfes MD , Medical Director, ProScan Imaging Sponsored by: ProScan Imaging
------------------	---

This lecture will cover some of the more important pitfalls and artifacts encountered when imaging and interpreting ankle tendons on MRI, including the magic angle effect and the importance of foot positioning for optimal MR imaging and diagnosis. A state-of-the-art discussion regarding advantages and indications of 3D thin section MR imaging in the ankle, foot and toes will ensue, with review of sample cases and with particular emphasis on plantar plate tears along the lesser MP joints. After viewing the lecture, the attendee will: 1. Be familiar with a few of the more common artifacts & pitfalls encountered when imaging and interpreting ankle tendons on MRI; 2. Be able to identify proper foot positioning for MR imaging of various ankle tendons; 3. Have some understanding of 3D thin section MR imaging and its indications; 4. Be familiar with the MRI findings associated with tears of the lesser MP joint plantar plate.

3:00 - 3:15 p.m.	Afternoon Break
3:15 – 4:15 p.m.	<i>What is this P Value Thing and What Does it Really Mean?</i> – Emily A. Cook DPM MPH , Beth Israel Medical Center, Boston MA

Review the definition of the p value and integrate its proper use into practical scenarios. Review common myths regarding p values. Discuss how to interpret journal articles based on the meaning of the p value, including strengths and weaknesses related to its meaning.

4:15 – 5:15 p.m.	<i>No Toradol Please?! - Emily A. Cook DPM MPH</i> , Beth Israel Medical Center, Boston MA
------------------	--

Discuss the literature regarding the use of ketorolac in the surgical patient. Understand the risks and benefits of utilizing ketorolac and other nonsteroidal anti-inflammatory medications in the surgical patient. Discuss current research conducted on ketorolac and bone healing related to elective surgery.

Doctor's Program: Thursday, October 6

5:15 – 6:15 p.m.

Are 1st MPJ Implant Joint Replacements Experimental?

- **Emily A. Cook DPM MPH**, Beth Israel Medical Center, Boston MA

Discuss the evidence regarding 1st MPJ implants. Understand basic principles of implant arthroplasty and how they relate to the success of the procedure.

6:15 – 8:15 p.m.

Cutaneous and Soft Tissue Biopsy Techniques: A Didactic and Technical Workshop - **Bradley W. Bakotic DPM DO**,
Sponsored by: Bako Podiatric Pathology Services

Attendees will review the various biopsy techniques that are available for sampling conditions of the skin and soft tissue. This session will include a review of the indications for various biopsy techniques to assess skin neoplasms, soft tissue tumors, dermatitides, and special testing modalities. Included will be a brief discussion regarding the utility and significance of epidermal nerve fiber density analysis, and the subtle, but important differences in punch technique when performed for this purpose.

6:30 – 7:30 p.m.

Strategic Planning Task Force Meeting

Doctor's Program: Friday, October 7

7:00 - 10:30 a.m.

Registration

7:00 - 8:00 a.m.

Continental Breakfast

8:00 a.m. – 8:00 p.m.

DOCTORS EDUCATIONAL SESSIONS

8:00 – 10:00 a.m.

JOINT SESSION WITH ASSISTANTS

Case Presentation – From Initial Patient Contact to End Resolution with Coding Information – **Patrick A. DeHeer DPM**, Franklin IN, **Gad N. Flaumhaft DPM**, Medicare Representative and **Christopher S. Grandfield, DPM**, Merrillville IN

Dr. DeHeer's case concerns a failed midfoot fusion and subsequent hindfoot fusion. This is designed to help the attendee see the potential complications with this type of procedure and how to attempt to treat these complications.

10:00 - 10:30 a.m.

Coffee Break

10:30 – 11:30 a.m.

IPMA General Business Meeting – Members Only Please -
Keynote Speaker: **Jane A. Koch DPM**, President,
Indiana Podiatric Medical Association

11:30 a.m. – 12:30 p.m.

Risk Factors in Explanatation for Arthroeresis in Flexible

Flatboot Deformity - **Emily A. Cook DPM MPH**, Beth Israel Medical Center,
Boston MA

Understand basic principles of arthroeresis. Discuss reasons for explanatation and how to avoid them. Understand the evidence in predicting the risk of explanatation.

Doctor's Program: Friday, October 7

12:30 – 1:30 p.m.

Lunch – Doctors and Assistants - Keynote Speaker:

Dr. David Helfman, Extremity Health Care Incorporated

1:30 – 2:30 p.m.

How Can I Tell if What I'm Reading is Bologny in 30 Seconds? – **Jeremy J. Cook DPM MPH**, Beth Israel Medical Center, Boston MA

Review basic principles of evidence-based medicine. Discuss ways to assess the strengths and weaknesses of a journal article. Understand how flawed publications could change clinical practice and the importance of proper interpretation of the literature.

2:30 – 3:30 p.m.

Is Hyperbaric Oxygen a Bunch of Hot Air? – **Jeremy J. Cook DPM MPH**, Beth Israel Medical Center, Boston MA

Understand basic principles of hyperbaric oxygen and common applications. Discuss the evidence regarding hyperbaric oxygen including the strengths and flaws. Understand the difference between hyperbaric oxygen and topical hyperbaric oxygen.

3:30 – 4:00 p.m.

Afternoon Break

4:00 – 5:00 p.m.

Misuse and Abuse of "Prophylactic" Antibiotics in the Postoperative Patient – **Jeremy J. Cook DPM MPH**, Beth Israel Medical Center, Boston MA

Understand the evidence and current guidelines regarding the use of prophylactic antibiotics in the peri-operative patient. Discuss common methods of misuse of antibiotics in the peri-operative setting.

5:00 – 6:00 p.m.

Lapidus Bunionectomy - Changing Standard of Care – **Jeremy J. Cook DPM MPH**, Beth Israel Medical Center, Boston MA

Understand basic principles of 1st metatarsocuneiform arthrodesis including indications, surgical technique, advantages, and disadvantages. Discuss the evolution of the Lapidus bunionectomy. Understand the controversies related to the post-operative management of the Lapidus bunionectomy and the current evidence supporting the use of early weight bearing.

6:00 – 8:00 p.m.

Risk Management Seminar – Presented by: Medical Protective

6:00 – 7:00 p.m.

Past Presidents Council Meeting

Doctor's Program: Saturday, October 8

7:00 - 8:00 a.m. Continental Breakfast

8:00 a.m. – 5:15 p.m. DOCTORS EDUCATIONAL SESSIONS

8:00 – 9:00 a.m. *Achilles Suture Bridge* – **Shawn Hatfield DPM**, Indianapolis IN
Sponsored by: Arthrex

This lecture will increase the understanding of Achilles Suture Bridge.

9:00 – 10:00 a.m. *Rearfoot Arthritides* – **David A. Yeager DPM**, Dixon IL

To update criteria accepted for evaluation and treatment of rearfoot arthritis.

10:00 – 10:30 a.m. Coffee Break in Exhibit Hall

10:30 – 11:30 a.m. *Pediatric Flatfoot* - **David A. Yeager DPM**, Dixon IL

To develop more competency in the diagnosis, evaluation and treatment of pediatric flatfoot.

11:30 a.m. – 12:30 p.m. *Soft Tissue Repair Using Matrices* – **David A. Yeager DPM**, Dixon IL

To present updates regarding soft tissue repair using matrices.

12:30 – 2:00 p.m. Recognition Luncheon – Keynote Speaker –
Patrick A. DeHeer DPM, IPMA President-Elect

2:00 – 2:40 p.m. *Total Ankle Replacement and My Own Personal Experience* –
Lawrence A. DiDomenico DPM, Youngstown OH

This lecture will evaluate the criteria needed for total ankle replacement.

2:40 – 3:20 p.m. *Hammer Toe Corrections via Soft Tissue—Leave the Bone Alone* –
Lawrence A. DiDomenico DPM, Youngstown OH

The corrections of hammer toe without touching the bone will be discussed.

3:20—4:00 p.m. Using a Femoral Locking Plate for a Tibial Talar Calcaneal Arthrodesis—
Lawrence A. DiDomenico DPM, Youngstown OH

The lecture will review the evaluation of a femoral locking plate for this procedure.

4:00 – 4:15 p.m. Afternoon Break

4:15 – 5:15 p.m. *Equinus – "Your Key to Better Outcome and More Money in the Bank"* - **Patrick A. DeHeer DPM**, Franklin, IN

This lecture covers the definition, evaluation, biomechanics, review of literature, and conservative and surgical treatment of equinus deformity. The attendee will have a better understanding of the importance of equinus and the management of the disorder.

Doctor's Program: Sunday, October 9

7:30 - 8:00 a.m. Continental Breakfast

8:00 a.m. – 12:15 p.m. DOCTORS EDUCATIONAL SESSIONS

8:00 – 8:30 a.m. Surgical Management of Fifth Metatarsal Fractures – **Thomas Lyman DPM and Cassandra Papak DPM**, Residents, St. Joseph's Regional Center, South Bend IN

The lecture will discuss fifth metatarsal fractures and how they are managed surgically.

8:30 – 9:00 a.m. Controversy, Treatment and Post-Operative Management of Pilon Fractures – **Jesse E. Riley DPM**, Resident, St. Mary's Medical Center, Evansville IN

This lecture will discuss the evaluation and treatment of Pilon Fractures.

9:00 – 9:30 a.m. Charcot Reconstruction: Internal Fixation vs. External Fixation – **Kenneth P. Stumpf DPM**, Resident, Westview Hospital, Indianapolis IN

To present updates on Charcot Reconstruction and discuss the aspects of internal and external fixation.

9:30 – 10:00 a.m. Case Presentations and Review of Gas Gangrene – **Nicholas P. Ferro DPM**, Resident, St. Vincent Hospital, Indianapolis IN

To increase the understanding of gas gangrene and treatments available.

10:00 – 10:15 a.m. Mid-Morning Break

10:15 – 10:45 a.m. Skin Tissue Biopsies: Case Reports – **Jessica R. Taulman DPM**, Resident, Westview Hospital, Indianapolis IN

To update criteria accepted in skin tissue biopsies.

10:45 – 11:15 a.m. A Case Report on the Treatment of AVN of the Talus with Use of Advanced Bone Grafting – **Brandon Borer DPM**, Resident, Westview Hospital, Indianapolis IN

To increase the understanding of the use of advanced bone grafting.

11:15 a.m. – 11:45 p.m. Plastic Surgery Techniques in the Foot – **Shirley Catoire DPM**, Franklin IN

To increase the knowledge of literature on plastic surgery techniques.

11:45 a.m.—12:15 p.m. Current Clinical Practices for the Diabetic Patient— **Fredericka A. Wilson DPM**, Indianapolis IN

To update the criteria accepted for the evaluation and treatment of the diabetic patient.

OUR THANKS TO OUR CONTINUING EDUCATION SPONSORS:

Allied OSI Labs
Arthrex
Bako Podiatric Pathology Services
Extremity Health Care Incorporated
Decatur Vein Clinic
Genesis Medical
ProScan Imaging

Continuing Education

The Indiana Podiatric Medical Association is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. This program has been awarded:

Thursday, October 6, 2011	7.00 Hours
Friday, October 7, 2011	7.00 Hours
Saturday, October 8, 2011	7.00 Hours
Sunday, October 9, 2011	4.00 Hours
TOTAL HOURS	25.00 Hours
Ginny Jewell, Executive Director	

<u>STATE</u>	<u>APPLIED FOR</u>
Indiana	25.0 Hours
Illinois	25.0 Hours
Kentucky	25.0 Hours
Michigan	25.0 Hours
Ohio	25.0 Hours – Category I

While the program and the attendance verification certificate indicate that it is possible to earn 26.00 CME hours, the individual physician is responsible for obtaining the attendance verification. Each individual certificate will indicate the number of continuing education hours awarded based upon attendance verification records. The times of attendance verification are:

Thursday, 10/6/11 – 12:30 – 2:00 p.m. & 3:00 – 3:15 p.m. – Registration Booth

Friday, 10/7/11 – 10:00 – 10:30 a.m. & 3:30 – 4:00 p.m. - Exhibit Hall

Saturday, 10/8/11 – 10:00 – 10:30 a.m. - Exhibit Hall; 4:00 – 4:15 p.m. - Doctors Lecture Room

Sunday, 10/9/11 – 10:00 – 10:15 a.m. - Doctors Lecture Room

CANCELLATION/REFUND POLICY

We understand that circumstances may arise that requires you to cancel. If you cancel your registration in writing by the advance registration date, your registration fee will be refunded, less a \$25 processing charge. In lieu of a refund, your paid registration fee can also be used to send a substitute attendee to the Conference, who will receive continuing education credit appropriate to his/her profession.

If you have questions or would like further information about this Conference, please contact Ginny Jewell at the IPMA Central Office at 317-222-3847.

2011 ASSISTANTS PROGRAM
Hyatt Regency Hotel - Indianapolis, IN
October 7—8, 2011

Track 1

THURSDAY – OCTOBER 14, 2010

3:00 – 6:15 p.m. Registration

FRIDAY – OCTOBER 7, 2011

7:00 - 10:30 a.m. Registration
7:00 - 8:00 a.m. Continental Breakfast

8:00 a.m. - 5:00 p.m. ASSISTANTS EDUCATIONAL SESSIONS

8:00 – 10:00 a.m. JOINT SESSION WITH ASSISTANTS

Case Presentation – From Initial Patient Contact to End Resolution with Coding Information – **Patrick A. DeHeer DPM**, Columbus IN, **Gad N. Flaumhaft DPM**, Medicare Representative and **Christopher S. Grandfield, DPM**, Merrillville IN

Dr. DeHeer’s case concerns a failed midfoot fusion and subsequent hindfoot fusion. This is designed to help the attendee see the potential complications with this type of procedure and how to attempt to treat these complications.

10:00 - 10:30 a.m. Coffee Break

10:30 – 11:30 a.m. Diabetic Shoe Documentation – **Tanya D. Popper Abell PMAC**, Indianapolis IN

This lecture will discuss the documentation needed to obtain reimbursement for diabetic shoes.

11:30 a.m. – 12:30 p.m. Orthotics – What the Doctor’s Office Needs to Provide and How the Orthotics Lab Processes the Order – **Mary Walls PMAC and Debbie Williams**, General Manager, Allied OSI Labs
—Sponsored by Allied OSI Labs

We will focus on how the doctor’s office prepares to order the orthotics and how the lab manufactures and completes the order.

12:30 – 1:30 p.m. Lunch – Doctors and Assistants—Keynote Speaker:
Dr. David Helfman, Extremity Health Care Incorporated

1:30 – 2:00 p.m. IPA General Business Meeting - All are welcome to attend!

2:00 – 2:45 p.m. The Painful Foot in Diabetes – **Andrew J. Rader DPM**, Jasper IN
This lecture will detail foot problems found in diabetic patients.

2:45—3:30 p.m. Wound Care—What to Look For— **Andrew J. Rader DPM**, Jasper IN
An outline of what the assistant should do with wound care patients will be given.

3:30 – 4:00 p.m. Afternoon Break

FRIDAY – OCTOBER 7, 2011

4:00 – 5:00 p.m. Wound Care – Products for Prevention - **John Kasberg**, President of Genesis Medical Inc. and **Michael S. Miller DO**—Sponsored by Genesis Medical Inc.
The lecture will emphasize the availability of a wider range of prevention products for the wound care patient.

SATURDAY – OCTOBER 8, 2011

7:00 - 8:00 a.m. Continental Breakfast

8:00 a.m. – 4:00 p.m. ASSISTANTS EDUCATIONAL SESSIONS

8:00 – 9:00 a.m. HELP! What Do I Do Now? – **Jane A. Koch DPM**, Evansville IN
This lecture will contain information on how to handle in-office emergencies.

9:00 – 10:00 a.m. Electronic Health Records—Quips, Tips and Pearls –
Christopher S. Grandfield DPM, Merrillville IN
The changes that are necessary to comply with rules and regulations for Electronic Health Records will be covered in this lecture.

10:00 – 10:30 a.m. Coffee Break in Exhibit Hall

10:30 – 11:30 a.m. If I Can Survive an Audit – You Can Too! – **Richard A. Stanley DPM**,
Indianapolis IN
We will focus on the elements involved in preparing for an audit, what to do during the audit, and what happens after the audit is completed.

11:30 a.m. – 12:30 p.m. SHOES: the Good, the Bad, and the Ugly – **Wendy K. Kennedy DPM**,
Terre Haute IN
We will discuss information for patients regarding their shoe choices.

12:30 – 2:00 p.m. Recognition Luncheon – Keynote Speaker –
Patrick A. DeHeer DPM, IPMA President-Elect

2:00 – 4:00 p.m. Patient Encounters Scenarios...From Check-in to Check-out...What Do **I** Do?
– **Walter G. Warren DPM**, Seymour IN
We will explore practice management techniques throughout the entire patient visit.

CONTINUING EDUCATION APPROVAL:

Approved by the Commission on Accreditation of Podiatric Medical Assisting Certification

For 12.50 CME Credits

TRACK #2 – ASPMA CERTIFICATION REVIEW AND EXAMINATION

FRIDAY – OCTOBER 7, 2011

7:00 - 10:30 a.m. Registration

7:00 - 8:00 a.m. Continental Breakfast

8:00 a.m. - 5:30 p.m. ASSISTANTS EDUCATIONAL SESSIONS

8:00 a.m. – 5:30 p.m. ASPMA PMAC Certification Examination Review Course –
Tressea Harvey PMAC, New Albany IN, American Society of Podiatric Medical Assistants Qualifying and Examining Committee

This eight-hour course is designed for the podiatric medical assistant who has completed at least 3 months of preparation with the exam study manual, The Comprehensive Guide to Podiatric Medical Assisting. A thorough and more extensive review of the seven exam categories will be offered, along with a written “mock” exam. A positive learning atmosphere is provided with one-on-one, as well as group, interaction. Limited hands-on learning is offered in anatomy, biomechanics and instrumentation. ***Pre-registration for the exam and course IS mandatory. There will be NO on-site registration.***

Seven Exam Categories Include:

General Information and Knowledge of the Profession – 50 questions

Anatomy/Biomechanics – 69 questions

Terminology – 50 questions

Clinical Testing and Procedures – 50 questions

Surgical Assisting and Instrumentation – 50 questions

Radiology – 80 questions

Medical Emergencies and CPR – 51 questions

10:00 – 10:30 a.m. Coffee Break

12:30 – 1:30 p.m. Lunch – Doctors and Assistants

1:30 – 2:00 p.m. | PA General Business Meeting - All are welcome to attend!

3:30 – 4:00 p.m. Afternoon Break

SATURDAY – OCTOBER 8, 2011

7:00 - 8:00 a.m. Continental Breakfast

8:00 – 11:00 a.m. ASPMA PMAC Certification Examination

CONTINUING EDUCATION APPROVAL:

Approved by the Commission on Accreditation of Podiatric Medical Assisting Certification

For 8 CME Credits
